

# CCI Conductive Blow-Molded Cases

Ideal storage, handling, and reusable shipping containers  
 for high value electronics

CCI is proud to be the exclusive supplier of Flambeau blow molded conductive cases. For years these have been the finest cases in the industry for protecting circuit boards and ESD sensitive components. Now, CCI offers these as a stocked

item and we have the capability to add custom designed interiors to fit your specific needs. CCI thermoformed static safe inserts or our proprietary permanent foams make these cases the perfect long term protection for valuable electronics.

- Double Wall Construction
- Blow Molded Conductive
- Secure Closure
- Tough for Repeated Use
- Great Physical Protection
- ESD Safe
- CCI Custom Thermoformed or Permanent Interiors
